NYSTEEA CONFERENCE

Mark your calendars! Our annual NYSTEEA Conference will be held at SUNY Polytechnic Institute on March 19–20, 2026. This is always a highlight of the year and a chance to connect with colleagues, learn new strategies, and celebrate our profession.

With the new Portrait of a Graduate coming forth, let's come together and create a document to give to our administrators and counselors on how our courses meet each of the criteria. We will have many other sessions and hopefully a school visit again!

President's Message

Welcome back to school and for those in retirement, congrats. We have lots of plans at NYSTEEA but we need everyone's input. There are some big things coming down the pipe from NYSED so we need to stay ahead of that. I look forward to seeing many of you in some capacity at the upcoming conferences.
